EVANGELISM TRAINING FOR YOUR CHURCH

**GOOD
NEWS**
PRAY for God to be INVOLVED
& give you OPPORTUNITIES

Most believers know they should share the Gospel—but few feel equipped to do it confidently and consistently in real life.

Equipped to Share is a practical, inspiring, and easy-to-host training event designed to help your people move from knowing the Gospel to living it—wherever God has placed them. Whether you're a large church or a small church, this training can be tailored to fit your context and your people.
